The California Numismatist

Official Publication of the
California State Numismatic Association
and the
Numismatic Association of Southern California
Fall 2017, Volume 14, Number 3

About the Cover

A great autumnal photograph of Half Dome in Yosemite National Park plays its fall colors as a background for the gorgeous toning of the image of a buffalo nickel out of Mark Benvenuto's article beginning on page 38. Both coin and Yosemite are stunning.
